

# Thee Lingerie Shoppe

Fall 2011/Winter 2012

...with you in mind

[www.tlsbras.com](http://www.tlsbras.com)

We are very pleased to announce the launch of our website after many hours of hard work. The website features staff bios and pictures, brand info, accessories, swimsuit brands as well as loads of info on how the store works, question and answer section for compression stockings and a very informative section on breast surgery! With quick links to ask us questions and book appointments, even to our Facebook and Twitter accounts!

## Staff Picks

**Dianne:** SIGVARIS Compression Stockings. For travel, fatigue and varicose vein prevention! Ask your doctor for a prescription today!

**Sheila:** She loves the control of a Miracle Suit bathing suit and new this winter season are Miracle Suit Tankinis in PLUS size! Very exciting!

## RED: the new nude!

Are you tired of boring beige bras all the time under your white or light coloured clothing? Why not wear scarlet red? Red acts as a neutral tone under white clothes and completely disappears thusly replacing your beige bras for good! Try it! European women have been doing it for ages!

## Seams - VS. - No Seam
